

2D Graphics

Product Overview

The unique way in which Opta collects data allows us to give graphical overviews of the action from the world of football. Useful for enhancing tactical analysis or highlighting a point,

our pitch graphics can bring your coverage to life in a range of different styles.

Product Detail

Example graphics include:

- Average player positions and heat maps
- Passing graphics by team and player
- Goals and attacking plays, including full build-up
- Attacking plays
- Possession

Features & Benefits

These graphics can be made available live or post-game and are suitable for a number of different types of media, including print and online. The raw data is also available in tabular format for deeper analysis.
